DROP OFF PROGRAM

GCMHG realizes some families' work schedules may conflict with co-op classes and events. We are proud to present a drop off program. All participants must abide by our core values and rules and pay the membership fees and any opt out fees that they may need to.

Please read and fill this **Class Conduct Contract & Drop Off** form below.

1. Please bring a lunch & **filled refillable** water bottle with the **child's name** on them.
2. Please arrive **5-10** minutes before classes start.
3. Please arrive **5-10** minutes before classes end as we cannot linger at the facility.
4. Only the parent(s)/guardian on the list may pick up their child. **NO EXCEPTIONS!**
5. **3 warnings!** If the child is using **inappropriate behavior** or **arrival and drop off times are not met;** they will be **dismissed** from the drop off program, and a **parent/guardian** will need to be present for classes.
