

GULF COAST MANATEES HOMESCHOOL GROUP INC.

We have exciting news! We're looking for sponsors to help fund our in classroom activities, as well as educational field trips. In return for sponsorship, we're offering multiple advertising opportunities throughout the 2024-2025 co-op year. Our co-op reaches homeschooling families in Citrus and surrounding counties. As we continue to grow, so does our cost to maintain the level of education and hands-on learning we want to provide for our children. Would you consider sponsoring our co-op and donating to help better our children's education?

At GCMHG, our mission is to supplement our children's education and physical fitness. Our goal is to enrich their overall experience. Allowing both children and adults the opportunity for positive socialization. We are proud to announce that we are the first non-profit homeschooling co-op in Citrus County since 2023. However, we have provided various opportunities for our families to engage in immersive hands-on learning, trips, events and community service experiences since 2020 and it has been quite the journey, seeing how much has been achieved.

If you are interested in sponsoring and would like more information, please feel free to reach out and we will provide our full 2024/2025 school year itinerary with all of our classes and trips we will be doing.
