Dear Community Partner,

We're reaching out to invite you to become a sponsor of the Gulf Coast Manatees Homeschool Group (GCMHG) — a 501(c)(3) nonprofit co-op serving homeschooling families throughout Citrus County and surrounding areas. Our mission is to supplement home education through hands-on learning, physical fitness, character-building, and community service. Since our founding in 2023, we've grown into the first nonprofit homeschool co-op in Citrus County to offer free physical education to all homeschoolers, and we're proud to now serve dozens of families with immersive academic and enrichment opportunities.

This year, we are excited to continue expanding our classroom offerings, field trips, service projects, and community events — including our 2026 Graduation and Field Day on May 12th and May 14th, which are open to all homeschoolers in the region. These activities help bring learning to life, but they also come with growing costs.

Would you consider supporting our efforts through sponsorship or in-kind donation?
